17	Gramer	Might, May, Could — talking about future possibility that is still open
18	Konuşma	The Year Ahead — talking about your plans, hopes and worries for the coming year

Ünite 4 — If and When

Hedef: Talk about imaginary situations, conditions and things you would change

19	Gramer	If I Had More Time — second conditional for unreal or unlikely present situations
20	Gramer	Unless You Ask — unless, as long as and provided that for stating conditions
21	Gramer	In Case It Rains — in case for precautions, and how it differs from if
22	Gramer	I Wish Things Were Different — wish and if only for regrets about the present
23	Kalıplar	On the One Hand — weighing two sides of a question out loud
24	Konuşma	What Would You Do? — talking through imaginary situations and defending your answer

Ünite 5 — What People Say

Hedef: Report what other people said, asked and told you to do

25	Gramer	He Said He Was Tired — reporting statements and shifting the words back in time
26	Gramer	She Asked Where I Lived — reporting questions and the word order they take
27	Gramer	They Told Me to Wait — reporting requests, orders and advice
28	Gramer	Admit, Deny, Suggest — reporting words that carry more meaning than say and tell
29	Kalıplar	Passing On a Message — relaying what someone else said to a third person
30	Konuşma	What Did They Tell You? — retelling a whole conversation you were part of

Ünite 6 — Things Get Done

Hedef: Describe what happens to something without saying who does it

31	Gramer	It Was Built in 1900 — past events described without saying who did them
32	Gramer	English Is Spoken Here — present habits and facts described without naming the doer
33	Gramer	It Has Been Repaired — recent results described without naming who produced them
34	Gramer	Who Was It Made By? — asking such questions and naming the doer when it matters
35	Kalıplar	Reporting an Incident — describing what happened when you cannot say who was responsible
36	Konuşma	How It's Made — explaining a process step by step

Ünite 7 — Describing People and Things

Hedef: Add detail to a description using longer, joined-up sentences

37	Gramer	The Woman Who Called — joining sentences with who, which and that to identify someone
38	Gramer	My Brother, Who Lives Abroad — adding extra information with commas around the added part
39	Gramer	The Place Where We Met — using where, when and whose to join sentences
40	Gramer	A Nice Old Wooden Table — the order describing words go in before a thing
41	Kalıplar	Hard to Describe — describing something when you do not know the exact word
42	Konuşma	Someone I Admire — describing a person in detail and saying why they matter to you

Ünite 8 — Guessing and Concluding

Hedef: Say what you think is true and how sure you are about it

43	Gramer	She Must Be Tired — must, might and can't for working out what is true now
44	Gramer	It Can't Have Been Him — must have, might have and can't have for working out the past
45	Kalıplar	It Looks Like Rain — saying what something seems or appears to be
46	Kalıplar	I'm Not Sure, But — softening a guess so you are not fully committed to it
47	Kalıplar	Apparently, It Turns Out — passing on something you heard without vouching for it
48	Konuşma	Solving a Mystery — working out what happened from the clues you have

Ünite 9 — Habits Then and Now

Hedef: Compare how things used to be with how they are today

49	Gramer	I Used to Smoke — used to for habits and states that have stopped
50	Gramer	We Would Spend Summers There — would for actions repeated again and again in the past
51	Gramer	I'm Getting Used to It — be used to and get used to for what has become normal
52	Gramer	Always Complaining — always with the -ing form for habits that irritate you
53	Kalıplar	How Things Have Changed — comparing how things were with how they are now
54	Konuşma	Then and Now — describing how your own life has changed over the years

Ünite 10 — Choosing Your Words

Hedef: Pick the right word pattern and explain yourself precisely

55	Gramer	I Enjoy Reading, I Want to Read — which common words are followed by -ing and which by to
56	Gramer	I Stopped Smoking, I Stopped to Smoke — words whose meaning changes depending on -ing or to
57	Gramer	Look Up, Look After — common two-word expressions and where the object goes
58	Kalıplar	Saying It More Precisely — choosing a more exact word than the first one that comes to mind
59	Gramer	It's Worth Trying — fixed expressions that take an -ing word after them
60	Gramer	Although, However, Despite — showing contrast between two ideas in one stretch of speech
61	Konuşma	Explaining Yourself Clearly — explaining something complicated in simple words

Ünite 11 — Putting It Together

Hedef: Hold a real discussion: give your view, react, and keep it going

62	Gramer	You're Coming, Aren't You? — short check questions added to the end of a sentence
63	Gramer	So Tired, Such a Long Day — so and such for adding force to what you say
64	Gramer	Enough, Too Much, Plenty — talking about amounts precisely
65	Kalıplar	Getting Your Point Across — giving an opinion and agreeing or disagreeing with force
66	Kalıplar	Keeping a Conversation Going — follow-up questions and reactions that invite someone to say more
67	Konuşma	A Real Discussion — discussing a topic you genuinely care about
68	Konuşma	Telling It Like It Is — giving your honest view even when it is uncomfortable

Ünite 1 — Looking Back with Regret

Hedef: Talk about how the past could have gone differently and what you would change

1	Gramer	If I Had Known — third conditional: setting up a past situation that did not happen
2	Gramer	I Would Have Called — third conditional: the result half of the sentence
3	Gramer	I Should Have Listened — should have and ought to have for regret and criticism
4	Gramer	If I Had Studied, I'd Be Rich Now — mixed conditional: a past cause with a present result
5	Kalıplar	Looking Back — expressions for regret and hindsight
6	Konuşma	The Turning Point — talking about a single decision that changed your direction
7	Konuşma	What I'd Do Differently — reflecting on a mistake and what you learned from it

Ünite 2 — What Might Have Been

Hedef: Discuss alternatives to what actually happened and judge past decisions

8	Gramer	It Might Have Been Worse — might have and could have for possibilities in the past
9	Gramer	You Needn't Have Bothered — needn't have and didn't need to, and how they differ
10	Gramer	I'd Rather You Hadn't — would rather and would sooner pointing at the past
11	Kalıplar	Suppose We Had Gone — playing out a past that never happened
12	Kalıplar	It Was Meant to Be — expressions about luck, fate and coincidence
13	Konuşma	Was It Worth It? — judging whether a past decision paid off
14	Konuşma	An Alternative Life — imagining in detail the path you did not take

Ünite 3 — Reporting and Rumour

Hedef: Report what is claimed without taking responsibility for it

15	Gramer	It Is Said That — impersonal reporting with it is said and it is believed
16	Gramer	He Is Thought to Be — the personal reporting pattern with is thought and is said
17	Gramer	She Denied Taking It — reporting words followed by an -ing word
18	Gramer	He Refused to Comment — reporting words followed by to and an action
19	Kalıplar	Sources and Hedging — quoting a source without committing to it yourself
20	Kalıplar	Rumour Has It — passing on unverified news and flagging it as such
21	Konuşma	The Story Behind the Headline — discussing a news story and how far it can be trusted

Ünite 4 — Getting Things Done by Others

Hedef: Arrange for other people to do things and complain when they go wrong

22	Gramer	I Had My Hair Cut — have something done for services you arrange
23	Gramer	We Got the Roof Fixed — get something done, and when it feels different from have
24	Gramer	I Need This Sorted — need and want followed by a finished result
25	Gramer	Make, Let, Help — making someone do something and allowing them to

26	Kalıplar	Arranging Services — booking work and chasing it up
27	Kalıplar	When It Goes Wrong — complaining about work that was done badly
28	Konuşma	Sorting Out the House — organising several pieces of work over the phone

Ünite 5 — Describing Complex Situations

Hedef: Pack more information into fewer, longer sentences

29	Grammer	Having Finished, She Left — opening a sentence with having plus a finished action
30	Grammer	Built in 1920, It Still Stands — opening a sentence with a done-form to add background
31	Grammer	The Man Standing Over There — adding an -ing description straight after the thing described
32	Grammer	Both of Which Were Late — quantity words inside a joined-up sentence
33	Kalıplar	Painting a Picture — vivid description that puts the listener in the scene
34	Konuşma	A Place I Know Well — describing a complex place richly and at length
35	Konuşma	Explaining a Situation — laying out something complicated so it can be followed

Ünite 6 — Emphasis and Focus

Hedef: Put the weight of a sentence exactly where you want it

36	Grammer	What I Need Is Time — starting with what to push the important part to the end
37	Grammer	It Was You Who Said It — starting with it was to single one element out
38	Grammer	Never Have I Seen That — putting a negative word first and flipping the order after it
39	Kalıplar	The Thing Is — flagging the important part of what you are about to say
40	Kalıplar	Absolutely, Utterly, Completely — intensifying words and which ones pair with which
41	Konuşma	Making a Case — arguing a point and making the key part land
42	Konuşma	Standing Your Ground — holding your position when someone pushes back

Ünite 7 — Degrees of Certainty

Hedef: Show precisely how confident you are about a claim

43	Grammer	It's Bound to Happen — expressing near-certainty about what is coming
44	Grammer	She's Unlikely to Agree — expressing improbability without saying no outright
45	Grammer	It May Well Be — strengthening and weakening a guess with small words
46	Kalıplar	Presumably, Allegedly — single words that signal how sure you are
47	Kalıplar	Hedging Your Bets — committing to less than you actually believe
48	Konuşma	Reading the Signs — interpreting an ambiguous situation out loud
49	Konuşma	How Sure Are You? — defending a prediction and admitting its limits

Ünite 8 — Contrast and Concession

Hedef: Concede a point and still make your own, in one breath

50	Grammer	Despite Being Tired — despite and in spite of followed by an -ing word
51	Grammer	Whereas I Prefer Quiet — whereas and while for setting two things directly against each other
52	Grammer	Even If It Costs More — even if and even though, and the difference between them

53	Gramer	Much As I'd Like To — conceding first in order to refuse politely
54	Kalıplar	Yes, But Then Again — granting a point before making your own
55	Konuşma	Pros and Cons — arguing both sides of a real question and landing somewhere
56	Konuşma	Changing Your Mind — being persuaded and saying so gracefully

Ünite 9 — Shades of Meaning

Hedef: Choose between near-synonyms and say difficult things kindly

57	Gramer	Remember to Do, Remember Doing — words whose meaning flips between to and -ing
58	Gramer	I Regret to Tell You — formal announcements with regret, be pleased and be sorry
59	Gramer	Slightly, Fairly, Somewhat — softening how strong a description is
60	Gramer	Nearly, Barely, Hardly — near-negative words and what they quietly imply
61	Kalıplar	Close Enough — approximating when you do not have exact facts
62	Kalıplar	Loaded Words — choosing between words that mean the same but feel different
63	Konuşma	Saying It Kindly — delivering an unwelcome opinion without causing offence

Ünite 10 — Formal and Informal

Hedef: Move between formal and casual English on purpose

64	Kalıplar	Would You Be So Kind — formal requests and how far up the scale to go
65	Kalıplar	Give Us a Hand — casual requests between people who know each other
66	Kalıplar	I Am Writing to Enquire — the language of a formal written message
67	Kalıplar	Just a Quick One — the language of a casual written message
68	Gramer	Softening the Blow — distancing language that makes bad news land more gently
69	Konuşma	A Difficult Email — working out how to raise a delicate matter in writing
70	Konuşma	Same Thing, Two Ways — saying one message formally and then casually

Ünite 11 — Discussing Real Issues

Hedef: Hold your own in a real discussion and bring it to a close

71	Kalıplar	On the Rise — describing how numbers rise, fall and level off
72	Kalıplar	Backing Up an Opinion — supporting a claim with reasons and examples
73	Konuşma	Where Do You Stand? — taking and defending a position on a contested topic
74	Konuşma	Scrolling Too Much? — discussing screen habits and what to do about them
75	Konuşma	What's for Dinner? — talking at length about food habits and cooking
76	Konuşma	Love It or Hate It: Tech — weighing what technology gives you against what it takes
77	Konuşma	Finding Common Ground — moving a disagreement towards something both sides accept
78	Konuşma	Wrapping Up a Discussion — summarising what was said and closing cleanly

Ünite 1 — The Art of Emphasis

Hedef: Put the weight of what you say exactly where you intend it

1	Gramer	Not Only Did She Come — flipping the word order after a negative opener for emphasis
2	Gramer	Only Then Did I Realise — flipping the order after only, not until and no sooner
3	Gramer	It Is Precisely This That — advanced front-loading to pinpoint one element
4	Kalıplar	What Struck Me Most — foregrounding your own reaction to something
5	Konuşma	Driving a Point Home — arguing with deliberate emphasis so the key point cannot be missed
6	Konuşma	Understated but Firm — making a strong point quietly rather than loudly

Ünite 2 — Unreal and Hypothetical

Hedef: Reason about situations that are not and never were the case

7	Gramer	Were I to Suggest — hypothetical sentences built without if
8	Gramer	Had It Not Been for You — had it not been for and but for, to credit or blame a cause
9	Gramer	It's Time You Decided — the unreal past after it's time, would rather and suppose
10	Kalıplar	Supposing That Were True — framing an extended hypothetical for discussion
11	Kalıplar	On the Assumption That — stating openly what your argument rests on
12	Konuşma	A Thought Experiment — reasoning step by step through an impossible scenario
13	Konuşma	If Things Were Otherwise — discussing at length how a real situation could have been different

Ünite 3 — Saying Less, Meaning More

Hedef: Leave things out on purpose and pick up what others leave out

14	Gramer	I Would If I Could — leaving out the part the listener can already supply
15	Gramer	Some Do, Some Don't — standing in for a whole idea with so, do and one
16	Kalıplar	Not That I'd Mind — throwaway qualifications that adjust what you just said
17	Kalıplar	Reading What Isn't Said — naming the implication behind someone's words
18	Konuşma	Between the Lines — discussing what someone really meant and how you know
19	Konuşma	Saying No Without Saying No — declining by implication rather than refusing outright

Ünite 4 — Formal Register

Hedef: Speak and write in official English without sounding stiff

20	Gramer	The Committee Recommends — turning actions into things to sound official
21	Gramer	It Was Agreed That — impersonal reporting that removes the actor entirely
22	Gramer	Should You Require Assistance — formal hypotheticals built without if
23	Kalıplar	Institutional Language — the standard vocabulary of official communication
24	Konuşma	A Formal Complaint — raising a serious issue in fully formal English
25	Konuşma	Presenting to a Board — delivering a short, structured formal presentation

Ünite 5 — Building an Argument

Hedef: Construct a case, concede fairly, and answer objections

26	Kalıplar	Given That, It Follows — signalling the logical steps of an argument
27	Kalıplar	Granted, However — conceding a point in order to strengthen your own
28	Kalıplar	Correlation and Cause — being careful about claiming that one thing caused another
29	Kalıplar	The Counterargument — stating the opposing view fairly before answering it
30	Konuşma	Anticipating Objections — arguing while pre-empting the reply you expect
31	Konuşma	A Structured Case — arguing a position from opening to conclusion
32	Konuşma	Defending Under Pressure — holding up when your argument is challenged hard

Ünite 6 — Narrative Craft

Hedef: Tell a story that holds attention and lands its point

33	Grammer	Little Did They Know — inverted openers that hint at what is coming
34	Kalıplar	Pacing a Story — speeding up and slowing down a narrative for effect
35	Kalıplar	The Detail That Matters — choosing what to include and what to leave out
36	Kalıplar	Bringing People to Life — reporting other people's speech vividly inside a story
37	Konuşma	A Story That Lands — telling an anecdote that gets the reaction you want
38	Konuşma	Retelling for Effect — telling the same story two ways for two audiences

Ünite 7 — Precision and Nuance

Hedef: Find the exact word and the exact degree

39	Kalıplar	Imply and Infer — pairs of words that are commonly confused with each other
40	Kalıplar	Degrees of Approval — the scale from barely acceptable to genuinely excellent
41	Grammer	Hedged and Blunt — how much distance to put between yourself and a claim
42	Grammer	Tends To, Has a Habit Of — describing tendencies with the right degree of commitment
43	Konuşma	Almost the Right Word — narrowing down to the exact term you are reaching for
44	Konuşma	Describing Something Complicated — giving an accurate account of something genuinely messy
45	Konuşma	Choosing the Register — delivering the same content at three levels of formality

Ünite 8 — Professional Communication

Hedef: Disagree, negotiate and deliver hard news without damage

46	Kalıplar	Diplomatic Disagreement — objecting clearly without damaging the relationship
47	Kalıplar	Chairing a Discussion — running a conversation with several people in it
48	Kalıplar	Negotiating Position — signalling where you can move and where you cannot
49	Kalıplar	Delivering Bad News — announcing something unwelcome clearly and humanely
50	Konuşma	Giving Difficult Feedback — a candid conversation that stays constructive
51	Konuşma	A Negotiation — reaching an agreement that neither side resents
52	Konuşma	Handling a Crisis Call — staying clear and calm while information is still incomplete

Ünite 9 — Culture and Idiom

Hedef: Handle idiom, humour and the unwritten rules of a conversation

53	Kalıplar	Idioms Worth Knowing — common fixed expressions and the situations they fit
54	Grammer	Words That Go Together — which words habitually pair with which
55	Kalıplar	Humour and Irony — signalling that you do not mean something literally
56	Kalıplar	What Not to Say — expressions that land badly and safer alternatives
57	Konuşma	Reading the Room — adjusting how you speak to the company you are in
58	Konuşma	Talking Across Cultures — a conversation where the unspoken assumptions differ

Ünite 10 — Extended Discussion

Hedef: Hold the floor at length on anything, including what you do not know

59	Kalıplar	Sustaining a Long Turn — holding the floor coherently for more than a few sentences
60	Kalıplar	Signposting Where You're Going — mapping a long answer so the listener can follow
61	Konuşma	An Abstract Question — discussing a question that has no clean answer
62	Konuşma	A Subject You Know Deeply — going into real depth on something you know well
63	Konuşma	A Subject You Know Nothing About — coping gracefully when you are out of your depth
64	Konuşma	Pet Peeves — complaining elegantly about small everyday irritations
65	Konuşma	Overhyped or Worth It? — judging whether something lives up to its reputation
66	Konuşma	Closing the Loop — summarising a long discussion fairly to both sides

Ünite 1 — Nuance and Connotation

Hedef: Choose between words that mean the same but land differently

1	Kalıplar	The Weight of a Word — choosing between near-synonyms by what they suggest, not what they mean
2	Kalıplar	Faint Praise — saying something positive that is heard as criticism
3	Grammer	Deliberate Vagueness — being unspecific on purpose while still sounding responsive
4	Kalıplar	The Art of Understatement — dialling a description down so the gap does the work
5	Konuşma	Describing a Person Precisely — building a portrait of someone that avoids cliché
6	Konuşma	The Same Fact, Three Framings — reframing one event three ways without changing the facts
7	Konuşma	Choosing Your Words Carefully — a conversation where the exact wording carries real consequences

Ünite 2 — Persuasion

Hedef: Move someone's position without pressure or manipulation

8	Kalıplar	Appeals That Work — appealing to reason, to feeling and to your own credibility
9	Grammer	The Rhetorical Question — questions that make a statement rather than seek an answer
10	Kalıplar	Repetition and Rhythm — patterns of repetition that make a point stick
11	Konuşma	Pitching an Idea — a short persuasive pitch with a clear ask
12	Konuşma	Winning a Sceptic — persuading someone who starts out against you
13	Konuşma	Persuading Without Pressure — influencing someone while leaving the decision genuinely theirs
14	Konuşma	Changing Someone's Mind — a real attempt to shift a firmly held view

Ünite 3 — Negotiation

Hedef: Reach agreement while protecting both your interests and the relationship

15	Kalıplar	Opening Positions — the language of a first offer and a first response
16	Kalıplar	Trading and Conceding — giving something in order to get something
17	Kalıplar	Deadlock and Deadlines — moving a conversation that has stopped moving
18	Konuşma	A Salary Conversation — negotiating your own terms without damaging the relationship
19	Konuşma	A Difficult Client — holding your value under sustained pressure
20	Konuşma	Multi-Party Negotiation — reaching one agreement among three competing interests
21	Konuşma	Walking Away — ending without a deal but keeping the relationship intact

Ünite 4 — Debate

Hedef: Argue rigorously, concede honestly and answer what you would rather avoid

22	Kalıplar	Framing the Question — defining the terms before the argument starts
23	Kalıplar	Attacking an Argument — going after the reasoning rather than the person
24	Kalıplar	Concession as Strategy — giving ground deliberately in order to gain it

25	Konuşma	A Formal Debate — arguing a clear motion under debate conventions
26	Konuşma	Devil's Advocate — arguing a case you personally do not believe
27	Konuşma	The Uncomfortable Question — answering the question you would rather avoid
28	Konuşma	When You're Wrong — conceding an argument without losing standing

Ünite 5 — Humour and Irony

Hedef: Use and read humour, including when it misfires

29	Kalıplar	Dry and Deadpan — humour delivered flat, without signalling itself
30	Kalıplar	Self-Deprecation — making yourself the joke without seeming to fish for reassurance
31	Kalıplar	Sarcasm and Its Risks — when sarcasm works and when it does real damage
32	Konuşma	Banter — fast, friendly back-and-forth that stays warm
33	Konuşma	Reading a Joke That Fell Flat — recovering when humour lands badly
34	Konuşma	Humour in a Serious Setting — lightening a tense moment without undercutting it
35	Konuşma	Telling a Funny Story — building an anecdote so the laugh arrives where you want it

Ünite 6 — Storytelling at Length

Hedef: Hold an audience through a long narrative that goes somewhere

36	Kalıplar	Structure of a Long Story — shaping a narrative that runs for many minutes
37	Grammer	Switching Time for Effect — moving between past and present inside a story to heighten it
38	Kalıplar	Digression and Return — going off on a tangent and getting back cleanly
39	Konuşma	A Life Story — telling your own history at length and with shape
40	Konuşma	Someone Else's Story — retelling a story that is not yours without distorting it
41	Konuşma	A Story With a Point — narrative that exists to argue something
42	Konuşma	Holding an Audience — sustaining a long turn that nobody wants to interrupt

Ünite 7 — Abstract Topics

Hedef: Discuss questions that have no settled answer

43	Kalıplar	Talking About Ideas — the vocabulary of abstraction and generalisation
44	Konuşma	Defining the Undefinable — pinning down a concept that resists a clean definition
45	Konuşma	Ethics and Trade-offs — discussing a dilemma where every option costs something
46	Konuşma	Technology and Society — discussing a broad contemporary question from several angles
47	Konuşma	Art and Taste — defending a judgement that cannot be proved
48	Konuşma	What Makes a Good Life — a genuinely open discussion about what matters
49	Konuşma	Disagreeing About Values — a disagreement where the gap is fundamental, not factual

Ünite 8 — Professional Register

Hedef: Speak with authority, and for other people, under scrutiny

50	Kalıplar	The Language of Leadership — how authority speaks without sounding authoritarian
51	Grammer	Vagueness as Strategy — saying very little while sounding substantive

52	Konuşma	An Interview at Senior Level — a high-stakes professional conversation about your own record
53	Konuşma	Briefing and Being Briefed — moving dense information in both directions efficiently
54	Konuşma	Public Speaking — delivering a short prepared address to a room
55	Konuşma	Questions Under Scrutiny — handling unscripted questions from a sceptical room
56	Konuşma	Representing an Organisation — speaking for other people rather than for yourself

Ünite 9 — Free Discussion

Hedef: Talk comfortably and at length with anyone about anything

57	Konuşma	Small Talk at Altitude — effortless conversation with someone you have just met
58	Konuşma	A Long Conversation — sustaining an unhurried conversation over a long stretch
59	Konuşma	Guilty Pleasures — confessing tastes you defend with irony and charm
60	Konuşma	Commuting Stories — turning a mundane daily experience into a story worth hearing
61	Konuşma	City vs. Small Town — arguing lifestyle trade-offs with texture and nuance
62	Konuşma	Interviewing Someone — drawing out a person you have only just met
63	Konuşma	Being Interviewed — answering well with no preparation and no script
64	Konuşma	A Conversation That Matters — a conversation with real stakes and real feeling
65	Konuşma	Just Talking — unstructured conversation with no agenda at all
